

**Position:** Service Leader

**Responsibilities:**

Moore's Service Leader is a key operations role. Daily tasks include overseeing multiple landscape maintenance crews; coordinating materials, equipment and subcontractors; and managing hours and production to ensure quality service delivery.

Responsible for all aspects of crew management including hiring, training and development, safety, and scheduling to ensure timely, high-quality service delivery.

This position reports to the general manager of Moore's suburban branch and works closely with our Account Executives. Excellent communication skills, organization, and accuracy are essential for success in this role.

**Qualifications:**

Qualified candidates need a minimum of 2 years of experience in the landscape industry and at least one year of supervisory experience. A two-year degree is desirable or a commensurate amount of experience is acceptable.

**Company Description:**

Moore Landscapes is a market leader in comprehensive exterior and interior landscape services for commercial, municipal and institutional properties throughout the Chicago region. Enhancing environments since 1948, we are the trusted partner for many of Chicago's most celebrated landscapes due to our relentless adherence to service excellence, integrity and exceptional horticultural care. Our core services include commercial landscape maintenance, design, construction, and snow removal. We operate from office locations in Northbrook and downtown Chicago.

**Office location:** 1869 Techny Road, Northbrook, IL 60062

Moore Landscapes provides a competitive salary and benefits.
