

# Seasons Greetings from Moore Landscapes!

With so many of us working from home, this year Moore is spreading holiday cheer a bit differently. We hope to warm your heart and bring some much needed relief to our neighbors in need with our holiday donations to the organizations featured here.

## Greater Chicago Food Depository

The Greater Chicago Food Depository is Cook County's local food bank. With a network of more than 700 partner agencies and programs including food pantries, soup kitchens and shelters, Greater Chicago Food Depository provides food and hope for neighbors in need every day.

The Food Depository also addresses the root causes of hunger with public benefits outreach and job training programs that offer support for individuals to overcome poverty.

## St. Jude Children's Research Hospital

[www.stjude.org](http://www.stjude.org)

The mission of St. Jude Children's Research Hospital is to advance cures, and means of prevention, for pediatric catastrophic diseases through research and treatment. A leading children's hospital, St. Jude treats the toughest childhood cancers and pediatric diseases. Treatments invented at St. Jude have helped push the overall childhood cancer survival rate from 20% to more than 80% since it opened more than 50 years ago. Consistent with the vision of founder Danny Thomas, no child is denied treatment based on race, religion or a family's ability to pay.

## PAWS Chicago

[www.pawschicago.org](http://www.pawschicago.org)

Since 1998, PAWS Chicago has worked to end the overpopulation of homeless animals and to build No Kill communities – starting with a No Kill Chicago – that respect and value the life of every cat and dog. PAWS Chicago provides pet adoption services, medical treatment, training, and advocates to transform animal welfare by setting higher standards in the way animals are treated.

PAWS Chicago performs free and low-cost spay/neuter surgeries for Chicago under-resourced families.

Warmest wishes for a wonderful holiday season  
and a healthy, happy new year!
