

MOORE
LANDSCAPES

The Season of Gratitude and Hope

At the beginning of 2023, Moore Landscapes' leadership team announced the decision to join forces with Yellowstone Landscape, one of the country's largest and most respected commercial landscaping companies.

Thank you for your patience during the changes in company communications, operations and branding, as we worked together with our new colleagues to create a unified organization that consistently delivers industry-leading expertise and superior landscaping and snow services.

With five Yellowstone branches in the Chicago region, our combined footprint provides better coverage across the region, meaning we can more efficiently service properties throughout Chicagoland. This also broadens access to a larger talent pool.

Along with our gratitude, we have a few updates and reminders to share:

- ▶ The Moore email addresses will continue to be forwarded for some time, but please update your address book with your account manager's new Yellowstone Landscape email.
- ▶ If you haven't confirmed snow services, please do so ASAP as our crews' remaining capacity is limited.
- ▶ Exterior tree lighting installation is underway in preparation for the holiday season. Limited space is available on our schedule for interior holiday décor, so confirm plans now and don't miss out on a more festive holiday!
- ▶ Maintenance renewal contracts will be prepared soon and issued as Yellowstone Landscape.
- ▶ Moore's Construction Division is retaining the Moore brand, email addresses and labor relationships, so don't be surprised if you occasionally see a few Moore Landscapes' construction vehicles on jobsites. Moore has been part of Chicago's construction community for 75 years, and the legacy endures!

MOORE
LANDSCAPES

Enhancing Environments
Since 1948

MaryAnne Vecchio recently joined Yellowstone to lead Interiorscapes business development and manage several accounts.

Elaine Schweitzer, Interiorscapes account manager, has taken on most of Jan's accounts.

Jose Mata has been promoted to Interiorscapes production manager. Jose manages all plant technicians, scheduling and purchasing.

Bo Williams was recently hired as Interiorscapes plant technician.

Going forward, team updates and landscape management info will be posted on Yellowstone Landscape's [LinkedIn page](#), so please follow us to receive announcements.

Warmest wishes for a wonderful holiday season and a blessed, peaceful and happy 2024!
